### INDEPENDENT AUDITOR'S REPORT

To the Members of PNC Raebareli Highways Private Limited

#### Report on the Audit of the IND AS Financial Statements

##### Opinion

We have audited the IND AS Financial Statements of PNC Raebareli Highways Private Limited (the "company"), which comprises of IND AS Balance Sheet as at 31<sup>st</sup> March 2019, and the statement of Profit and Loss including statement of Other Comprehensive Income, and statement of cash flows and Statement of changes in Equity for the year then ended, and notes to the IND AS Financial Statements summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and the statement of Profit and Loss including Statement of Other Comprehensive Income, and Statement of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to the IND AS Financial Statements summary of significant accounting policies and other explanatory information.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibility for The Audit of IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the IND AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Responsibility of Management for IND AS Financial Statements

The company's Board of Directors is IND AS Financial Statements for the matters stated in section of 134(5) of the companies act, 2013 with respect to the preparation of these IND AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS Financial Statements, management is responsible for assessing the company's ability to continue as going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for Audit of IND AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the IND AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS Financial Statements.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the companies (auditor's report ) rules,2016("the order")issued by the central Government of India in terms of the sub section (11) of the section 143 of the act , we give in the **Annexure A** , a statement on the matters specified in paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- b. The Balance Sheet, , and the statement of Profit and Loss including statement of Other Comprehensive Income , and statement of cash flows and Statement of changes in Equity for the year then ended, and notes to the IND AS Financial Statements summary of significant accounting policies and other explanatory information dealt with in this report are in agreement with the books of accounts.
- c. In our opinion, the aforesaid IND AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d. On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- e. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B**

- a. With respect to the other matter to be included in Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has no pending litigations giving effects on its financial position as on 31<sup>st</sup> March 2019.
  - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company

## **"Annexure A" to the Independent Auditors' Report**

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the IND AS Financial Statements of the Company for the year ended 31st March, 2019:

1.

- a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets
  - b. The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the book's records and the physical fixed assets have been noticed.
  - c. No immovable property is held in the name of the company; hence this clause is not applicable.
2. There is no inventory in the company, hence clause 2(a) and 2(b) is not applicable.
3. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company.
4. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
5. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
6. As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- a. According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, CSS and any other statutory dues with the appropriate authorities and there are no arrears of outstanding statutory dues on the last day of the financial

year concerned (31.03.2019) for a period of more than six months from the date they became payable.

b. According to the information and explanation given to us, there are no tax dues outstanding on account of dispute.

7. In our opinion and according to the information and explanations given to us, the Company has not availed any term loan from banks/financial institutions; hence this clause is not applicable on it.
8. In our opinion and according to the information and explanations given to us, the company has not availed any term loan from banks/financial institutions; hence this clause is not applicable on it.
9. Based on the audit procedures performed and information and explanations given to us by the management, the company has not raised moneys raised by way of initial public offer or further public offer (including debt instruments) a term loan. Hence the provisions of clause 3(ix) of the Order are not applicable to the company.
10. Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
11. Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
12. The Company is not a Nidhi Company. Hence this clause is not applicable on it.
13. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the IND AS Financial Statements as required by the applicable accounting standards.
14. Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.

1. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company.
2. In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company.

"ANNEXURE B" to the Independent Auditor's Report of even date on the IND AS Financial Statements of PNC Raebareli Highways Private Limited.

**Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of PNC Raebareli Highways Private Limited as of March 31, 2019 in conjunction with our audit of the IND AS Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on these responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of IND AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS Financial Statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019.

Notes to financial statement as at and for the year ended March 31, 2019

## Significant Accounting Policies

### Company Overview:

The company has been awarded the "Two Laning with paved shoulders of Raebareli to Jaunpur section (Km. 0.00 to Km. 166.440) of NH-231 in the state of Uttar Pradesh under NHDP Phase-IVA on a design, build, Operate and transfer on Annuity (DBFOT annuity) basis" and entitled to get half yearly annuity as per the concession agreement dated 09.11.2012 with National Highways Authority of India.

### 1. Basis of Preparation

The financial statements comply in all material aspects with Indian accounting standards notified under sec 133 of the companies act 2013. (the Act ) [Companies (Indian accounting standard) Rules, 2015] and other relevant provision of the act. The financial statement upto year ended 31st march 2019 were prepared in accordance with the accounting standards notified under companies (accounting standard) Rules 2006 (as amended) and other relevant provision of the Act. These financial statements are the first financial statements of the company under Ind AS.

#### 1(a) Historical Cost convention

These Financial statements have been prepared on a historical cost basis except for Certain financial assets & Liabilities measured at fair value.

### 2. Significant Accounting policies adopted by company in preparation of financial statements

#### Property Plant & Equipment:

Under the previous Indian GAAP, property plant and equipment other than investment property were carried in the balance sheet on the basis of historical cost. The company has regarded the same as deemed cost & presented same values in Ind- AS complaint financials after applying Para D5 of Appendix D of Ind AS 101(First time adoption of Ind AS).

Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Plant & Equipment-15 Years

Vehicles- 8 Years

Office Equipment- 5 Years

Computers- 3 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Handwritten signatures in blue ink, including a large signature at the top, a signature below it, and two smaller signatures to the right.

## Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

### Initial recognition and measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (i) Financial Asset at amortized cost
- (ii) Financial Asset At Fair Value through OCI
- (iii) Financial Asset at Fair value through P&L

### Financial Asset at amortized cost

A 'Financial Asset' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss.

### Financial Asset at Fair value through OCI

A 'Financial Asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI. Financial Asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI)

### Financial Asset at fair Value through P&L

FVTPL is a residual category for Financial Assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the group may elect to designate a Financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL.

However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

## Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable if the group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

## Derogisation of Financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- ▶ The rights to receive cash flows from the asset have expired, or
- ▶ The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - (a) the Company has transferred substantially all the risks and rewards of the asset, or
  - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

## Impairment of financial assets

In accordance with Ind AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Three handwritten signatures or initials in blue ink. The first is a large, stylized signature, the second is a smaller signature, and the third consists of the initials "Abs".

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Lease receivables under Ind AS 17
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 (referred to as 'contractual revenue receivables' in these illustrative financial statements)
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

For recognition of impairment loss financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

### Financial Liabilities

#### Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

#### Subsequent Measurement

#### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss.

#### Financial Liabilities at Amortized Cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

#### Financial guarantee

#### Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

#### Provisions, Contingent liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expense relating to a provision is presented in the statement of profit and loss if the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Handwritten signatures in blue ink, including a large signature and several smaller initials.

**A contingent liability is disclosed in case of;**

a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

a present obligation arising from past events, when no reliable estimate is possible ;

a possible obligation arising from past events, unless the probability of outflow of resources is remote

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date

**Service Concession Agreements**

The Company constructs & upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time.

These arrangements may include infrastructure used in a public-to-private service concession arrangement for its entire useful life. Under Appendix C to Ind AS 115 – Service Concession Arrangements, these arrangements are accounted for based on the nature of the consideration. The Financial asset model is used to the extent that the operator has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor for the construction services.

Income from the concession arrangements earned under the Financial asset model consists of the (i) fair value of the amount due from the grantor, which is deemed to be fair value of the consideration transferred to acquire the asset;

Any asset carried under concession agreements is derecognized on disposal or when no future economic benefits are expected from its future use or disposal.

**Revenue related to SCA :**

Revenue related to construction under a service concession arrangement is recognized based on the stage of completion of the work performed

**Determination of fair values of trade receivables**

The receivable is measured initially at fair value. It is subsequently measured at amortized cost, i.e. the amount initially recognized plus the cumulative interest on that amount minus repayments. The company has measured the trade receivable at cost plus 16% Markup initially at FVTPL which are measured subsequently at amortized cost.

**Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The company has recognized Finance Income on the outstanding balance of trade receivables as a part of revenue from operations.

**Interest Income**

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Handwritten signatures in blue ink, including a large stylized signature at the top, a signature 'p...' below it, and two smaller signatures to the right.

### Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, are recognized subsequently if new information about facts and circumstances change. Acquired deferred tax benefits recognized within the measurement period reduce goodwill related to that acquisition if they result from new information obtained about facts and circumstances existing at the acquisition date. If the carrying amount of goodwill is zero, any remaining deferred tax benefits are recognized in OCI/ capital reserve depending on the principle explained for bargain purchase gains. All other acquired tax benefits realized are recognized in profit or loss.

### Sales/ value added taxes paid on acquisition of assets or on incurring expenses

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable- When receivables and payables are stated with the amount of tax included. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

### Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Four handwritten signatures in blue ink, appearing to be initials or names, located to the right of the stamp.

**Employee benefits**

**Provident Fund:** The contribution to provident fund is in the nature of defined contribution plan. The Company makes contribution to statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provisions Act, 1952. The contribution paid or payable is recognized as an expense in the period in which services are rendered.

**Gratuity (Funded):** Gratuity is in the nature of defined benefit plan. The cost is determined using the projected unit credit method with actuarial valuation being carried at cash at each Balance Sheet date by an independent actuary. The retirement benefits obligation recognized in the Balance Sheet represent the present value of defined benefit obligation as adjusted for recognized past service cost. Actuarial gains and losses are recognized in full in the other comprehensive income for the period in which they occur

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the service entitling them to the contribution.

Handwritten signatures in blue ink, including a large signature above the stamp, a signature to the right of the stamp, and two smaller signatures below the stamp.

Particular	As at March 31, 2019	As at March 31, 2018
<b>(A) Contingent Liabilities</b>		
<b>Claims against the Company not acknowledged as debts</b>		
Contingent liability towards claim raised by PNC Infratech Limited for the EPC Project including interest thereon which is payable by the Company on back to back basis only upon realisation the same from NHAI in terms of MOU dated August 07, 2018 between the Company and PNC Infratech Limited.	33,211.16	-

**Note 29.2 : Contingent Assets**

The Company has a pending arbitration case against National Highways Authority of India (NHAI) arising out of the Concession Agreement executed on 09.11.2012 for development of "Two Laning with Paved Shoulders of Raebareli to Jaunpur section (Km 0.000 to 166.400) of NH-231 in the state of Uttar Pradesh under NHDP Phase - IV A on BOT (Annuity) on DBFOT Pattern". The Company has raised claims for total amount of Rs 38,925.93 Lakhs which includes EPC Claims and interest in the said Arbitration against NHAI. The arbitration proceedings are in progress in the case.

**Note 30 : Operating Segment Information**

The Company operates in only one segment, namely "(DBFOT Annuity)" hence there are no reportable segments under Ind AS-108 'Segment Reporting'. Hence, separate business segment information is not applicable.

The Managing directors of the company has been identified as The Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker also monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements.

There is one Customer individually accounted for more than 10% of the revenue in the year ended March 31,2019 and March 31, 2018.

**(i) Fair Value Hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of inputs used in determining fair values, the group has classified its financial instruments into three levels prescribed under the accounting standards.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below :-

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Handwritten signatures and initials in blue ink, including a large signature and initials 'AK'.

Handwritten signatures in blue ink.

**(ii) Valuation techniques used to determine Fair value**

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Specific valuation technique used to value financial instrument includes:

> the fair value of financial assets and liabilities at amortised cost is determined using discounted cash flow analysis

**The following method and assumptions are used to estimate fair values:**

The Carrying amounts of trade payables, short term borrowings, cash and cash equivalents, short term deposits/retentions, expenses payable etc. are considered to be their fair value, due to their short term nature.

Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. For borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.

The fair value of trade receivables, security deposits and retentions are evaluated on parameters such as interest rate and other risk factors. Fair value is being determined by using the discounted cash flow (DCF)

Financial assets and liabilities measured at fair value and the carrying amount is the fair value.

A handwritten signature in blue ink, appearing to be "Rana", written above the stamp.

A handwritten signature in black ink, appearing to be "Rana", written below the stamp.

**Note 33 : FINANCIAL RISK MANAGEMENT**

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company principal financial asset includes loan, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities are exposed to **market risk, credit risk and liquidity risk.**

**I. Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

**(a) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio.

(i) The exposure of group borrowings to interest rate changes at the end of reporting period are as follows:

Particulars	As at March 31, 2019	As at March 31, 2018
Variable rate borrowings	60,417.38	65,634.69
Fixed rate borrowings	-	-
<b>Total borrowings</b>	<b>60,417.38</b>	<b>65,634.69</b>

(ii) As at the end of reporting period, the company had the following variable rate borrowings and interest rate swap contracts outstanding:

Particulars	As at March 31, 2019			As at March 31, 2018		
	Weighted average interest rate (%)	Balance	% of total loans	Weighted average interest rate (%)	Balance	% of total loans
Term Loan		60,417.38	100.00%		65,634.69	100.00%
<b>Net exposure to cash flow interest rate risk</b>		<b>60,417.38</b>	<b>100.00%</b>		<b>65,634.69</b>	<b>100.00%</b>

(ii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points		Impact on Profit before Tax	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018
INR	+50	+50	-302.09	-328.17
	-50	-50	302.09	328.17

Handwritten signatures and initials in blue ink at the bottom of the page.

(b) **Foreign currency risk**

The Company does not operate internationally and as the Company has not obtained any foreign currency loans and also doesn't have any foreign currency trade payables and foreign receivables outstanding therefore, the company is not exposed to any foreign exchange risk.

(c) **Price Risk**

The company exposure to price risk arises from investments in mutual fund at the current year end. These investments are actively traded in the market and are held for short period of time.

II. **Credit risk**

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an on going basis through each reporting period. To assess whether there is significant increase in credit risk, it considers reasonable and supportive forward looking information such as:

The company's only source of revenue is from toll collection which is mostly collected in cash by company and only trade receivables that a company has are against the the grant to be received, which is a government authority ,therefore company is not exposed to any credit risk. Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

III. **Liquidity Risk**

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

As at March 31, 2019	Carrying Amount	On Demand	Less than One Year	More than one year and less than three year	More than 3 Years	Total
Borrowings	60,417.38	-	5,580.28	5,580.28	49,256.82	60,417.38
Trade payables	45.87	-	45.87	-	-	45.87
Other Liabilities	13.12	-	13.12	-	-	13.12
<b>Total</b>	<b>60,476.37</b>	<b>-</b>	<b>5,639.27</b>	<b>5,580.28</b>	<b>49,256.82</b>	<b>60,476.37</b>

As at March 31, 2018	Carrying Amount	On Demand	Less than One Year	More than one year and less than three year	More than 3 Years	Total
Borrowings	67,928.41	-	-	8,721.98	59,206.43	67,928.41
Trade payables	17.81	-	17.81	-	-	17.81
Other Liabilities	61.91	-	61.91	-	-	61.91
<b>Total</b>	<b>68,008.13</b>	<b>-</b>	<b>79.72</b>	<b>8,721.98</b>	<b>59,206.43</b>	<b>68,008.13</b>

**Financing arrangements**

The company does not have any undrawn borrowing facilities at the end of reporting period or previous periods.

**Note 34 : Capital Management**

**(a) Risk Management**

The primary objective of the Company's Capital Management is to maximize the shareholder value and also maintain an optimal capital structure to reduce cost of capital. In order to manage the capital structure, the Company may adjust the amount of dividend paid to shareholders, return on capital to shareholders, issue new shares or sell assets to reduce debts.

The Company monitors capital on the basis of following gearing ratio, which is net debt divided by total capital plus debt.

Particulars	(Amount in Lakhs)	
	As at March 31, 2019	As at March 31, 2018
Debt	60,417.38	67,928.41
Cash & bank balances	74.51	54.75
Net Debt	60,342.86	67,873.66
Total Equity	21,989.99	20,666.93
Total Equity and Net Debt	82,332.86	88,540.59
<b>Net debt to debt and equity ratio (Gearing Ratio)</b>	<b>73.29%</b>	<b>76.66%</b>

**Notes-**

- (i) Debt is defined as long-term and short-term borrowings including current maturities as described in notes 13
- (ii) Total equity (as shown in balance sheet) includes issued capital and all other equity reserves.

**(b) Loan Covenants**

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period and the previous periods. Breaches in meeting the financial covenants would permit the bank to call loans and borrowings or charge some penal interest. Till date, the banks have not charged any penal interests.

No changes were made in the objectives, policies or processes for managing capital during the current years and previous years.

Handwritten signatures in blue ink, including a large signature and several initials.

**Note 23.1 Details of Employee Benefit Expenses**

The disclosure required by IND AS -19 " Employee Benefits" are as under-

**(a) Defined Benefit Plan**

The Liability for Employee gratuity is determined on actuarial valuation using projected unit credit method .

The obligations are as under:-

A.	Change in defined benefit obligation	2018-19	2017-18
